Natick Seating

Natick

The user friendly Natick with uncompromised comfort offers clean lines, outstanding fit and finish all resulting in a sophisticated and understated task chair at an outstanding price point. Seat height, seat depth, adjustable lumbar support and 3D arm adjustability along with multiple position back lock allow the user to fine-tune Natick for their size, shape, tasks at hand and preference. Natick is equipped with an advanced automatic weight activated synchro tilt mechanism. The back is available with a striped mesh or fully upholstered. The chair can be specified with a black or gray frame, base and arms as well as a variety of upholstery options.
