## Disaster Relief Special Pricing Program

### *Hurricanes Ike & Gustav*

On September 1st, Hurricane Gustav made landfall in the United States along the Louisiana coast as a strong Category 2 hurricane; Hurricane Ike struck the Texas coast on September 13th. In the wake of these devastating storms, as Texas and Louisiana residents continue to survey the damage, AIS has joined the hurricane response & recovery effort to assist those affected by Hurricanes Gustav and Ike.

In order to respond to the needs of those affected, AIS has prepared Special Disaster Relief Program, to provide immediate systems furniture solutions to help re-develop those businesses displaced in the aftermath of Gustav and Ike. This program is in place for any and all customers affected by Gustav and Ike, including commercial, state & local agencies, Department of Defense, and Federal Government agencies.

#### **Program Details are as follows:**

- End User discount is 80% off delivered
- Includes all products
- Includes all Grade A finishes
- Lead time is 7 days - no expedite fee
- We will require verification that this is a disaster relief order
- Please tag all orders as "Disaster Relief Program"
- Valid through 12/31/08

#### **Important things to remember:**

*To assist with these opportunities, please remember the following AIS tools are available to you:*

- e-brochures - *workstations already drawn and specified*
- Design check
- Leasing Programs
- Design and Specification Services - *if you need assistance, please let us know or check the web site for a listing*

#### **Suggested Contacts:**

- Customers in the disaster area
- Commercial Real Estate Agents
- Restoration Companies
- Insurance Companies
- Architects and Designers

Please feel free to contact AIS or the Cronan team if we can be of any assistance to you during this difficult time. AIS and Cronan want to work together within the communities affected to respond to their needs quickly.

Thank you,

*Sid Meadows and the entire teams at AIS and Cronan & Associates*
